STAT

SUBJECT: Cancellation of Participation in Program on Creative
Management

1. This is to advise you that I will be unable to participate as the FBIS candidate in the 11-16 September running of the Program on Creative Management (POCM) because of my selection for participation in the DS&T Career Development Course (CDC) #35, 19 September - 16 December 1988.

2. I have been informed that my participation in the CDC requires my attendance at a mandatory pre-course briefing scheduled for 12 September, a briefing I would be unable to attend should I remain in POCM.

3. Thus, it is with regret that I must inform you of my withdrawal from POCM. I do, however, remain hopeful that I may participate in POCM at a later date.
